PS will challenge all members from the youngest to the oldest to join in at least one service activity a year.

PS will give us greater opportunities to get to know other members through service and sharing our stories with others afterward.

PS will help members with like passions to connect with each other and create new service opportunities that align with their shared interests.

PS will help manage St. Stephen’s wide variety of ongoing ministries, putting together the people and the skills needed to make our ministries successful.
